

The background is a solid green color with a repeating pattern of botanical line art. The art includes various leaves, stems, and seed pods, all rendered in a darker green outline style. A solid lime green rectangle is positioned at the top center of the slide, partially overlapping the white text box.

# Layout Breakdown

**LOCATION:**  
BOTANICAL GARDENS

**OUTDOOR ELEMENTS:**  
GARDENS AND PATHS

**INDOOR ELEMENTS:**  
BUG STATUE EXHIBITS

## Story:

- You've been shrunk down and given the mission to research all the local bug species in the botanical gardens! Take photos, read exhibit information, and interact with the statues to gather information (potentially paired with a mobile app).
- This will be similar to the Pokemon Snap game series.
